Anna Świtaj

Front-end Developer

I am a computer science graduate from the University of Warmia and Mazury. I have one year of experience creating web applications using Angular. After a year of programming in Angular, I would like to return to React and be part of a React application. I am ambitious and dedicated to achieving my goals. In July 2021, I undertook a solo journey along the Polish coast along the EuroVelo trail. I have a regular yoga practice, and in my leisure time, I enjoy knitting and painting.

10.2017-06.2021
B.S. Computer Science
University of Warmia and Mazury, Olsztyn

Skills

- React
- Angular
- Typescript
- Javascript
- CSS3 / SASS / HTML5
- GIT
- CMS
- Corel

Language

- **English:** Communicative
- **Polish:** Native speaker

Social

Portfolio   Linkedin   Github

Experience

11.2021-12.2022
Leaware - Toruń

Angular Front-end Developer

I worked on a Belgian project that supported associations and felt a sense of fulfillment from my work. The project was conducted using the **Scrum** methodology and task management was managed through **Jira**. **Bitbucket** was used to manage the code for the project. My responsibilities included fixing bugs, improving the code, implementing new features, and participating in team efforts. I also provided support to the team on projects and created documentation using the C4 model. I integrated the translated text from the **Cockpit CMS** into the frontend site of the application.

07.2020-06.2021
Projekt Koszulka - Olsztyn

Web Developer

Adding new products to a store created on the **WordPress CMS** and edited with Elementor. Fixing errors on the website. Managing **PrestaShop** and **Beslinker**.
